

PETITION FOR EARLY READMISSION AFTER SUSPENSION

(due no later than noon on the day prior to the first day of class)

A student who has been placed on academic suspension must remain out of the university for one regular semester (spring or fall). In unusual circumstances, a student who is academically suspended may petition in writing to re-enroll early in the university. The Office of the Provost and The Learning Center have designed a program called the **Learning Skills Support Program (LSSP)** that will allow you to improve your academic progress. This petition must be approved by the Advisor and/or Department Head and Dean. You will need to attach your written request to this petition (see Part 2). This completed petition must be submitted to The Learning Center in Allen 267 or Mailstop 9711 **no later than noon on the day prior to the first day of class.**
