Banner User Name:    Your current Banner User Name  
Banner Password:    Your current Banner Password

---

---

The budget module will be unavailable for use during the following times due to back-ups and routine maintenance:

**Sunday – Friday 10:30 p.m. - 4:00 a.m.**

- The data provided is from the July 1, 2018 budget. However, if you made any changes in the budget module when you printed your Budget to Banner Comparison Report, the changes will be reflected in the mid-year changes block. Data is available immediately for update and, once final worksheets are printed, your data is complete.
- Security is controlled by the ORG. You do not have to complete all departments for which you are responsible before printing. However, you must complete all funds using a specific org before selecting the final print. If you print the final for your Education and General org (i.e., 100000-ORG) you will be locked out of making changes to your other funds if *they have the same org code*.

- If multiple persons have access to the same org, you may lock your org by printing the final report. The other person will not be locked out until they do a final print. This is most common between MAFES and MSU-Extension Service.
- All amounts are presented as whole dollars, no cents.
- Be sure that the position number and title code are correct for each employee. If the position number is not the same as what is in Banner the new budget information will not load. An Employment Action Form will be required to make the necessary revision.
- If an employee will be terminating prior to July 1, 2019 make the July 1, 2019 block vacant by entering the position number as the ID.
- Fringes will be automatically recalculated when you make a change to salaries, except for funds 100000, 160000, and 170000.

***MISSISSIPPI STATE UNIVERSITY - EXTENSION SERVICE DISTRIBUTIONS***

- Federally appointed employees must maintain at least a 51% level of funding from the Extension Service.

CAUTION: TO MAINTAIN DATA INTEGRITY, IF YOU PROCEED PAST THIS POINT BY ANSWERING YES ON SCREEN, YOU WILL BE LOCKED OUT OF THE DATA FOR ALL ACCOUNTS USING THAT ORG (department) CODE.
