

FORM A  
**PETITION FOR EARLY READMISSION AFTER SUSPENSION**  
(due no later than noon on August 19<sup>th</sup>)

A student who has been placed on academic suspension must remain out of the university for one regular semester. In some circumstances, a student who is academically suspended may petition in writing to re-enroll early in the university. The Office of the Provost and The Learning Center have designed a program called the **Learning Skills Support Program (LSSP)** that will allow the student to improve his/her academic progress. This petition must be approved by the Advisor and/or Department Head and Dean. A written request from the student will need to be attached to this petition (see Part 2). This **completed** petition must be submitted to the Coordinator of the LSSP and a meeting with the Coordinator must be scheduled for **no later than NOON on August 19<sup>th</sup>, 2019. Please see advisors at least 3 business days prior to the deadline to allow time for approval (university offices are closed on weekends).**

**PART 2: TO BE COMPLETED BY THE STUDENT PRIOR TO MEETING WITH THE ADVISOR**

Please attach a typed well thought-out description of how circumstances have changed making academic improvement a realistic goal. This academic improvement statement should be approximately one double-spaced page in length and should describe “what happened leading up to suspension” and “what will be different this semester.” This should be a thoughtful letter as it can influence the student’s admission or denial into the program.
