

**PETITION FOR EARLY READMISSION AFTER SUSPENSION  
SUMMER SCHOOL ADDENDUM (attach to FORM A)**

Academic suspension shall be for at least one regular (fall or spring) semester. For students suspended at the end of a spring semester, the suspension precludes enrollment in any summer school session as well as the following fall semester (according to AOP 12.16). If you wish to petition for early readmission for summer terms, you must comply with the following requirements.

- Complete **FORM A**—*Petition for Early Readmission after Suspension* and have it submitted to The Learning Center **no later than noon on the day prior to the first day of class (June 5<sup>th</sup>, 2013)**.
- Complete **Form B**—*Summer School Addendum*, attach to **FORM A**, and have them submitted to The Learning Center. (Forms also found on: <http://www.provost.msstate.edu/fsr/students/forms/> )
- Obtain approval of summer school course selection by an academic advisor (not more than 3 hours per term); **Maymester is NOT an option.**
- Participate in LSK 1033 during 1<sup>st</sup> Five Weeks and then take the **required** 1-hr. follow-up in the fall; if there is a scheduling conflict, please contact The Learning Center.

(Your department must specifically approve your enrollment in summer school.)

**Summer Academic Plan  
(to be completed by the advisor)**

***NOTE: Students on Academic Suspension are not eligible for Maymester.***

I have thoroughly read and completely understand the requirements above. It has also been fully explained to me that I must achieve a minimum GPA of a 2.0 for the combined summer terms. I understand that if I do not achieve a minimum GPA of a 2.0 by the end of all summer terms, I will be dismissed from Mississippi State University for one full year and **FORM A** will be voided. I fully understand and agree to these requirements.
